**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't do anything to take away competition among internet service providers. I carefully chose my company because it is local and the service is excellent and the price is good.

Being in the Bay Area it is important to have choices and enough companies to keep competition intact so that prices do not go through the roof.

Let it be known that I support broadband competition. Thanks -
